

# PORT Warranty

## Warranty on Notebook Cases & Accessories:

All goods sold are guaranteed against any operating defect resulting from a material, manufacturing or design defect, under the conditions described hereafter. The warranty will solely benefit the initial purchaser (subject to remittance of proof of purchase). It is client's responsibility to inform any sub-purchaser of the absence of direct action available to it with respect to PORT SA. PORT SA repairs or replaces products free of charge after return of the faulty product to the after-sales service at purchaser's cost. Any service under the warranty shall not extend said warranty.

All defects and deteriorations caused by unauthorized interference with the product, lack of maintenance, non-compliance with supplier's technical instructions, negligence, misuse, or any modification of the product by client not provided for or specified by PORT SA, are excluded from the warranty. Where a warranty is applicable, any customized products (logos, special products, etc.) will only be replaced by an equivalent, but non-customized, product in PORT SA product range.

To report a warranty defect, please contact [trhoode@portdesigns.com](mailto:trhoode@portdesigns.com) / [hduplessis@portdesigns.com](mailto:hduplessis@portdesigns.com) to arrange for inspection of the bag. If, after inspection, we find that the product is defective in materials or workmanship, we shall repair or replace the product at our discretion, and return the product to you.
